The Indian Institute of Welding (IIW-India) is a non-profit professional body devoted to the cause of promotion and advancement of welding science and technology in India and in the SAARC countries. Established in the year 1966, with its registered office at Kolkata, it has 13 branches located all over India. About 5000 welding professionals and over 300 industrial corporate bodies are members of this Institute.

Objectives:

- Disseminate Knowledge and development in the field of welding science and allied technology through organizing annual seminars, workshops, training programs, various educational programs, National Welding Meet, National Welding Seminars, International Congress and International Assembly.
- Provide technical guidance and consultation to industries in welding.
- Skill development, training and certification support to industries.
- Conduct International Institute of Welding Diploma Examinations through ANB India.
- Company Certification as per ISO Standards such as 3834, 15085, 1090 through ANBCC, India.
- Publish technical journals and periodicals in the field of welding.
- Organise International Exhibitions on Welding Technology and related areas.

The International Institute of Welding (IIW) was founded in 1948 by the welding institutes or societies of 13 countries that considered it crucial to make more rapid scientific and technical progress possible on a global basis. The IIW membership today comprises welding associations from 55 countries worldwide, with more nations continuing to indicate interest.

The International Congress IC 2020, on the theme - Advanced Welding Technology & Quality Systems for Developing Economies, organized by the Indian Institute of Welding (IIW India), will take place with the following objectives:

- To provide a dynamic forum for professionals for industries, academia and research institutes to share and enhance the latest in knowledge base in Welding Science & Technology, discussing strategies to make local industries globally competitive.
- To discuss the ways of boosting industrialization through Skill development.
- Promote regional cooperation by actively involving neighboring countries.

The International Congress 2020 will also offer a platform for Young Professionals in the field of welding by having an exclusive Young Professional International Conference.

Topics to be discussed:

- Additive Manufacturing and Smart Fabrication Technologies.
- Advances in Welding Fabrication Techniques and Productivity Design and Manufacturing of Welded Components.
- Welding Design, Fabrication, Automation and Simulations.
- Micro and Nano Joining Processes.
- Industry 4.0, Internet of Things (IOT), its application and benefits to Welding & Manufacturing Industry.
- Skill Development, training and education in Welding.

On the occasion of International Congress 2020, the Indian Institute of Welding, Mumbai Branch will concurrently organise an International Welding Exhibition - WELD INDIA 2020

WELD INDIA 2020 - a 3 day International Welding Technology, Metallurgy, Material Testing & Non-Destructive Testing, Specialty Welding & Fabricating and Allied Products Industries. Exhibition is scheduled to be held from 7th to 9th February 2020 at CIDCO Exhibition Centre Vashi New Mumbai.

EXHIBITORS PROFILE :
- Advanced Welding Processes
- Additive Manufacturing Processes
- Aerospace Defence Nuclear
- Electron Beam Welding (EBW), Fabrication Tools & Aids
- Gas Equipment & Accessories
- Grinding Cutting and Preparation
- Heat Treatment
- Industrial Gases
- Laser Welding and Cutting
- Manufacturing and Fabricating Technologies
- Material Testing Equipments
- Non Destructive Testing Equipments
- Quality Assurance
- Repair and Maintenance Equipments
- Soldering & Brazing Equipment.
- Surface & Cladding Technologies
- Thermal Spray Technologies
- Training, Testing & Welding Education
- Welding Consumables & Services
- Welding Electrodes
- Welding Equipment & Services
- Welding Automation & Robotics
- Welding Research and Development
- Welding Safety Equipment & Services etc.

Why Exhibit at WELD INDIA 2020?
- An exquisite platform to deliver the right value by successfully targeting the right customers, face-to-face.
- No other form of marketing gives you the opportunity to present directly to such a large targeted audience in such a short period.
- The visitors are decision makers - network and build relations to understand the need of the market for future developments.
- Live Demo facility for productive Buyer & Exhibitor engagement.
- Knowledge sharing conference to meet and network key stake holders.
- Exhibiting at Weld India-2020 creates unique opportunities by marking your presence in a world-class exhibition expecting 500+ delegates and 2000+ trade visitors.
- Networking Opportunities with leading buyers through exclusive conferences at the Expo.
